Re: CC Docket No. 02-6  
Petition to Appeal FCC Form 471 funding decision for 471 Application: # 933169  
APPLICANT: Pleasant Hill School District, Billed Entity #145018

Dear Secretary Dortch,

We request a waiver of the USAC Form 471 Filing Window for 2013-14 funding year for our application # 933169. This window was missed due to maintaining the requirement that 28 days must elapse after filing the USAC Form 470. The USAC form 470 was not filed in time to make the 471 filing window due to a clerical error and mis-communication about the filing status. This error was not intentional and was not done to favor any entity, vendor or person. This error will not result in any additional funding than otherwise would have been allowed.

Loss of these funds would mean less technology available to our students. We could supply a lab full of computers to one classroom with the budget changes needed divert funds to cover the loss of the E-Rate awards.

In support of our efforts to provide our students and community with access to a 21st Century Learning Environment, Pleasant Hill School District respectfully requests that the Bureau grant a waiver of the filing window for the cited E-rate funding application.

Thank you for your consideration,

Jerry Pergamit
